	b. Identified variations are evaluated and suitable recommendations are made to correct any issues.

### Pārongo aromatawai me te taumata paearu | Assessment information and grade criteria

#### Assessment specifications:

Candidates must be capable of consistently locating and evaluating information to inform daily work programmes in a construction trade to the standards expected of commercial competence.

Commercial competence refers to:

- performing the skill in a safe manner
- performing the skill to the required industry standards
- performing the skill within a commercially viable timeframe
- repeating the skill on demand
- performing the skill without supervision
- applying the skill to other work.

Variations to a work programme may result from environmental conditions, resourcing, other trades work programmes, health and safety risks, inaccuracies in project documentation, rework.

#### Ngā momo whiwhinga | Grades available

Achieved.
